

Giving "team maintainer" permissions to an organization member

An organization owner can promote any member of the organization to *team maintainer* for a team, giving them a subset of privileges available to organization owners.

Members with team maintainer permissions can:

- [Change the team's name and description](#)
- [Change the team's visibility](#)
- [Request to add a child team](#)
- [Request to add or change a parent team](#)
- [Set the team profile picture](#)
- [Edit team discussions](#)
- [Delete team discussions](#)
- [Add organization members to the team](#)
- [Remove organization members from the team](#)
- [Promote an existing team member to team maintainer](#)
- [Remove the team's access to repositories](#)
- [Manage code review assignment for the team](#)

- [Manage scheduled reminders for pull requests](#)

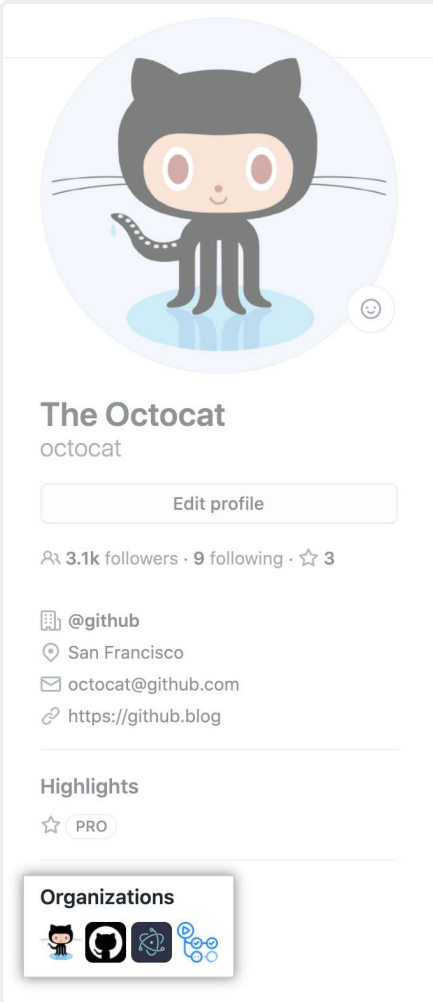

Promoting an organization member to team maintainer

Before promoting an organization member to team maintainer, the person must already be a member of the team.

In the top right corner of GitHub, click your profile photo, then click **Your profile**.

On the left side of your profile page, under "Organizations", click the icon for your organization.

Organizations

The image shows a GitHub profile card for 'The Octocat' (octocat). It features the Octocat avatar, a bio, a button to 'Edit profile', and statistics: 3.1k followers, 9 following, and 3 stars. Below this are links for '@github', 'San Francisco', 'octocat@github.com', and 'https://github.blog'. There is a 'Highlights' section with a 'PRO' badge. At the bottom is an 'Organizations' section with icons for GitHub, Docker, and others.

Under your organization name, click 🏢 Teams.

On the Teams tab, click the name of the team.

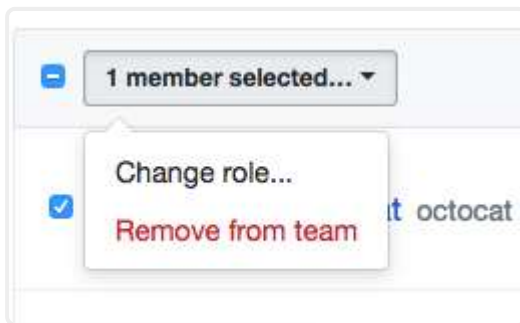

At the top of the team page, click  **Members**.

Select the person or people you'd like to promote to team maintainer.

Above the list of team members, use the drop-down menu and click **Change role...**

Select a new role and click **Change role**.

Change the team role of octocat?

This action has no effect on Organization owners.

Select a new role:

☒ **Maintainer**

Can add and remove team members.

☐ **Member**

Has no administrative permissions on the team.
