

# Deleting a team

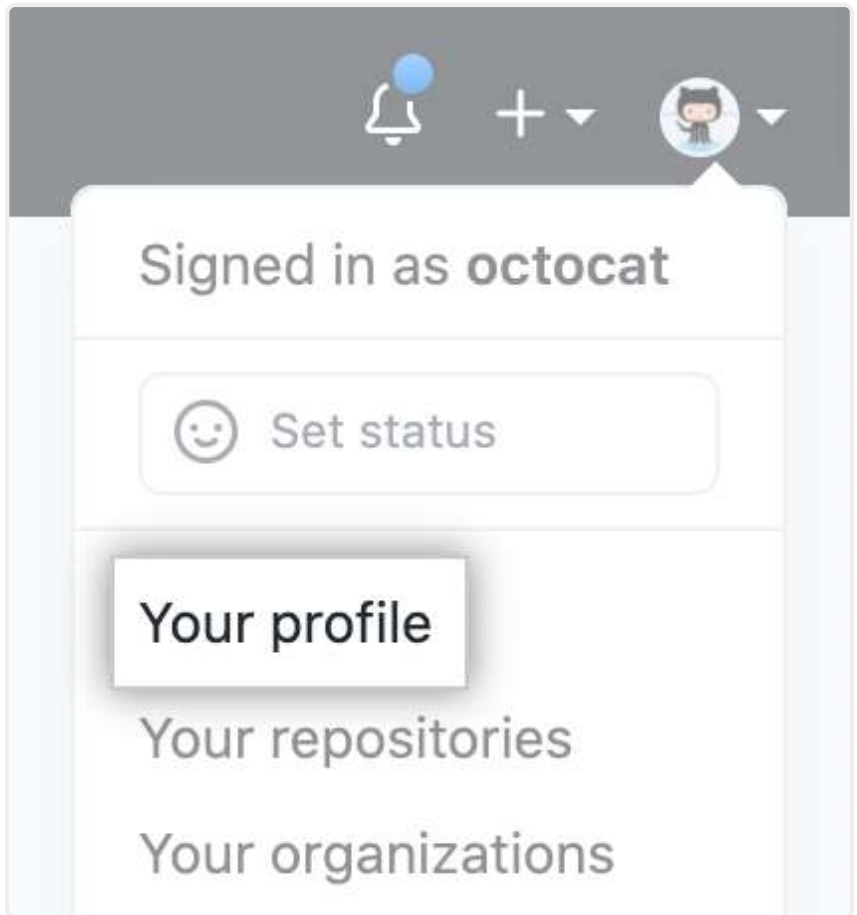

---

Organization owners can delete teams at any time from the team's settings page.

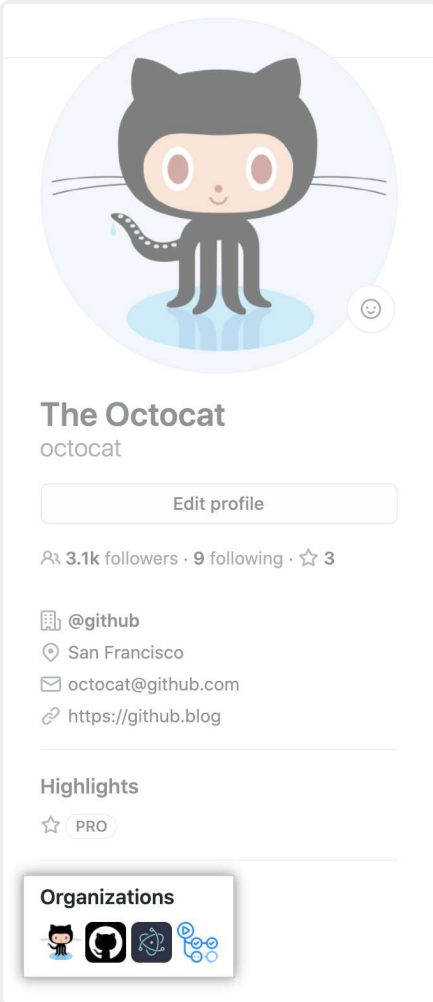

---

**Tip:** Only organization owners can delete parent teams. For more information, see "[About teams](#)."

In the top right corner of GitHub, click your profile photo, then click **Your profile**.

On the left side of your profile page, under "Organizations", click the icon for your organization.

Organizations

The image shows a GitHub profile card for 'The Octocat' (octocat). It features the Octocat avatar, a bio, an 'Edit profile' button, and statistics (3.1k followers, 9 following, 3 stars). Below this are links for '@github', 'San Francisco', 'octocat@github.com', and 'https://github.blog'. The 'Highlights' section shows a 'PRO' badge. The 'Organizations' section is highlighted with a white box and contains four icons: the Octocat, GitHub, GitHub Actions, and GitHub Sponsors.

Under your organization name, click 🏢 Teams.

Select the team or teams you'd like to delete.

Above the list of teams, use the drop-down menu and click **Delete**.

Review the team or teams that will be deleted, then click **I understand, delete teams**.

## Delete teams

Deleting teams will delete all their child teams. Once deleted, it can't be undone.

The following teams will be deleted:

**Admins**

**Core and 1 child team**

**I understand, delete these teams**
